

Dear National President;

The first-ever Skål Month Celebrations has been completed in 2021. We had 26 online events scheduled where Clubs/National Committees presented over 30 destinations. This initiative, while allowing you to promote your destination and present your Skål Clubs, it also allowed Skålleagues around the globe to engage and connect at a different level; learn more about the destinations they were interested, discuss current matters, and how to continue doing business among friends after the pandemic. I want to thank President Bill for supporting the initiative and believing in us ALL to make it happen. Also, special thanks to the Skål International HQ team and CEO Daniela Otero for offering logistical support in promoting the events. But more importantly, I would like to thank YOU for participating in the Skål Month Celebrations; for making, the time and effort to prepare, organize and execute these online events in celebration of Skål's 89th anniversary. Your efforts are genuinely appreciated.

In memory of Skål Month Celebrations 2021, attached, please find your 'Certificate of Participation,' signed by Skål World President Bill Rheame and CEO Daniela Otero.

Please note that per request for membership in general, we are posting the recorded sessions of the Skål website's presentations and share in the upcoming newsletter in May. If you have not done it so far, please make sure to email your video recording link to [Ana Maria Vera](#) at Skål International HQ by May 12, 2021.

As always, please do not hesitate to contact me or anyone on the Skål International Executive Board for any questions.

In Friendship and Skål,

Burcin Turkkan

Senior Vice President
